

# ISEE STUDENT GUIDE

FOR PAPER-PENCIL TESTING GRADES 5-12

**ISEE**<sup>®</sup> INDEPENDENT SCHOOL  
ENTRANCE EXAM

**2014-2015**

[www.iseetest.org](http://www.iseetest.org)

## Dear Families,

Thank you for selecting the Independent School Entrance Exam (ISEE) as your admission test. The ISEE is brought to you by the Educational Records Bureau (ERB), founded in 1927. ERB understands that admission testing should bring value not only to the admission process, but also to the students taking the test. We work hard to support families throughout the process by providing the following materials for students and families, as well as offering direct customer service contact:

**ISEE Student Guide:** Includes comprehensive information about the ISEE and a complete listing of test site dates and locations

**ISEE Student Guide—Quick Facts:** Supplements the ISEE Student Guide and summarizes the registration process, test formats, test policies, scoring, and reporting

***What to Expect on the ISEE*** preparation books: Enable students to get an idea of the format of the ISEE in general, the directions, the types of test items, and the answer sheet

**Individual Student Report (ISR):** Sent after the ISEE is completed; shows families a student's performance on the ISEE

We are pleased to offer the ISEE in both a paper-pencil and online format in 2014–2015. Please reference online information in this guide. Online test site options are listed only at [www.iseetest.org](http://www.iseetest.org).

Since test sites may fill up quickly, please be sure to register at least three weeks in advance of the test date to secure a seat at your preferred location. If you have any questions or wish to register for the ISEE at a school, please feel free to contact the ISEE Operations Office at (800) 446-0320.

We hope you have a valuable ISEE experience and look forward to supporting you every step of the way!

Sincerely,

Elizabeth Mangas  
Vice President, Admission Testing

## About ERB and the ISEE

The Educational Records Bureau (ERB) is a not-for-profit organization licensed in the State of New York by the Board of Regents to provide test materials and related services and conduct educational research projects for its nearly 2,000 member schools. ERB was founded in 1927 at Columbia University and is the oldest and largest independent school testing agency in the nation. It continues to be a trusted source for quality assessments, programs, and services to inform admission, instruction, and curriculum decisions.

The Bureau's Independent School Entrance Exam (ISEE) has been constructed with the help of ERB member schools' teachers and administrators. It has been developed for ERB by Measurement Incorporated, Durham, NC.

Included in this ISEE Student Guide is all of the information that candidates ordinarily need to have in order to register for the test, take the test, and arrange for test results to be sent to schools or consultants. If questions should arise after reading this guide, please refer to the sources of information on the inside back cover.

*Please read this entire guide carefully.*

# GETTING READY FOR THE ISEE

## Description of the Independent School Entrance Exam (ISEE)

The ISEE is an admission test that has four levels: A Primary Level, Lower Level, Middle Level, and Upper Level. The Primary Level is for students currently in grades 1, 2, and 3 who are candidates for admission to grades 2, 3, and 4. The Lower Level is for students currently in grades 4 and 5 who are candidates for admission to grades 5 and 6. The Middle Level is for students in grades 6 and 7 who are candidates for admission to grades 7 and 8. The Upper Level is for students in grades 8 through 11 who are candidates for admission to grades 9 through 12. The ISEE has different forms at each level for security purposes.

The ISEE Primary is available for candidates to grades 2, 3, and 4. This hour-long test, made up of a reading and math section and a short writing sample, is available at select schools, but only online. For more information on this test, please go to [www.iseetest.org](http://www.iseetest.org) and click on “ISEE Primary.”

In the Lower, Middle, and Upper levels, the ISEE consists of three parts: (1) carefully constructed and standardized verbal and quantitative reasoning tests that measure capability for learning; (2) reading comprehension and mathematics achievement tests that provide specific information about strengths and weaknesses in those areas; and (3) an essay section.

The ISEE essay is timed and written in response to a prompt. This essay is not scored; it is photocopied and sent only to the schools requested.

**The ISEE Score Report** has two main sections devoted to test results. The Test Profile provides an overview of a student’s performance on each of the four subtests compared to that of his or her peers. The Analysis delineates a student’s performance on each test broken down by subsection categories.

### TIME ALLOTTED FOR EACH SECTION ON THE ISEE PRIMARY 2

Reading	28	30
Mathematics	28	30
Writing Sample	1 Prompt	Untimed
<b>Total Time</b>	<b>60 plus the student’s response time to the Writing Sample</b>	

#### Paper-Pencil/Online: Lower, Middle, and Upper levels

The Lower, Middle and Upper level ISEE is offered in both a paper-pencil and online format. Both modalities have the same number of questions, the same timing, and the same opportunity for students to change their answers during the test section. Please note that the online option requires a student to type his or her essay. The paper-pencil format requires a student to handwrite his or her essay.

Paper-pencil testing: Registration may take place online at [www.iseetest.org](http://www.iseetest.org), by mail, or by phone (1-800-446-0320). Score reports will be mailed to the family.

Online testing: Registration may take place online at [www.iseetest.org](http://www.iseetest.org) only. Score reports are released electronically to the family.

## **i** ISEE Test Lengths

## *What to Expect on the ISEE*

### **Preparation books available at no fee**

Educational Records Bureau (ERB) understands the value and desire for parents and students to “see” the types of questions that will be presented on each level of the ISEE. They also want to make it as fair as possible for all families to gain access to the same information. Therefore, ERB is pleased to offer preparation books for each level FREE of charge when downloaded from the website [www.iseetest.org](http://www.iseetest.org).\*

The four titles are:

*What to Expect on the ISEE – Primary Level – available only online at [www.iseetest.org](http://www.iseetest.org)*

(For applicants to Grades 2, 3, and 4)

*What to Expect on the ISEE – Lower Level*

(For applicants to Grades 5 and 6)

*What to Expect on the ISEE – Middle Level*

(For applicants to Grades 7 and 8)

*What to Expect on the ISEE – Upper Level*

(For applicants to Grades 9-12)

The Lower, Middle, and Upper Level *What to Expect on the ISEE* books are approximately 140 pages and include level-specific background information about the ISEE test and experience, sample questions, a full-length practice test, an actual answer sheet, scoring information, and a section on understanding the Individual Student Report (ISR) that will be received after testing. Please understand that these books are not training books for exam strategies, and they are not a shortcut to higher scores. The goal of these books is to help families understand the format of the test in general, the directions, the types of test items, and the answer sheet.

While other companies claim to have ISEE preparation books, know that the *What to Expect on the ISEE* books are the only books authorized and approved by ERB.

Please note that these LL, ML, and UL materials were written before the online test was available. Please modify the directions according to the student’s test modality (paper or online).

\* The cost of the Lower, Middle, and Upper Level *What to Expect on the ISEE* books, if you wish to purchase a hardcopy version, is \$20 each and includes shipping and handling in the United States. The book is sent through the U.S. Post Office using Priority Mail Service. Please allow 5-7 business days for delivery upon receipt of your order. If you live outside the United States, please call 1-800-446-0320 or (919) 956-8524 for the international shipping cost and delivery time. You may order the book by using the fax form on page 53, calling 1-800-446-0320 or (919) 956-8524, or going online at [www.iseetest.org](http://www.iseetest.org). If you choose to download the book for free and print it yourself, the complete book is 140 pages in length.

# MAKING ARRANGEMENTS FOR TAKING THE ISEE

## WHERE TO TAKE THE ISEE

---

### Consortium Testing Programs

In many areas around the country, groups of schools have agreed to a joint admission testing program for the convenience of students applying to one or more of those schools. Consortium member schools will notify applicants of procedures that vary from

the general procedures explained in this ISEE Student Guide. If you have any questions concerning such policies, confer with the admission director of any school in the consortium. The basic fee for testing at a consortium school is \$100.

### Individual Independent Schools (Other Open Test Sites)

(Not under the sponsorship of a consortium)

Some individual independent schools have made arrangements with ERB to administer the ISEE at their schools on one or several dates during the school year. Many of these schools will open their ISEE test administrations to all students wishing to take the

test. Other schools will limit their ISEE test administrations to only those students applying to, or currently enrolled in, their schools. Such Closed Test Sites are not listed in this guide or the online registration. Please contact the school directly for test dates. The basic fee for testing at individual independent schools is \$100.

### Testing Offices

Appointments may be made for taking the ISEE at one of the offices listed on page 10. Small group testing, seldom exceeding eight to ten students, is scheduled for specific days of the week. The fee for small group testing by individual offices is \$175.

Individual testing may be arranged, for a fee of \$200, at some of the offices on page 10 (domestic and international).

#### Prometric Offices

The ISEE is offered at numerous Prometric offices for a fee of \$185. Testing at a Prometric office is online only. As it is an online ISEE, the multiple choice section will be answered online and the essay will be typed on the computer. Families should be aware that Prometric testing centers are not reserved for ISEE testing only. There will be other students or adults taking other types of online testing at these centers. A parent or guardian is required to stay on site with the child at the Prometric Office for the duration of the test. There are no exceptions to this rule. For Prometric testing, original documents are required for all identification — copies are not accepted. To select the Prometric testing option, please go to [www.iseetest.org](http://www.iseetest.org). Phone registration is not available for Prometric testing — the registration must be completed online.

To view the video about the ISEE administration at Prometric, please go to [http://erblearn.org/parents/admission/isee/testing\\_at\\_prometric](http://erblearn.org/parents/admission/isee/testing_at_prometric). Registration by phone is not available through a Prometric office. The only way to register for the ISEE at Prometric is online at [www.iseetest.org](http://www.iseetest.org).

# MAKING ARRANGEMENTS FOR TAKING THE ISEE

## Testing with *Accommodations*

The Educational Records Bureau will make every effort to arrange administrations to accommodate students who are unable to take the ISEE under standard conditions because they have a documented learning difference or physical challenge and utilize accommodations in their current school. Detailed instructions and requirements for seeking approval may be found in the “Testing with Accommodations” form online at [www.iseetest.org](http://www.iseetest.org), under “Accommodations.”

You may pre-register online for an “open” accommodations test site at [www.iseetest.org](http://www.iseetest.org). (To register for a “closed” test site or an ISEE testing office that offers accommodations, please download the “Testing with Accommodations” form found online at [www.iseetest.org](http://www.iseetest.org).) Please email [iseeaccommodations@erblearn.org](mailto:iseeaccommodations@erblearn.org) or call 1-800-989-3721, ext. 2613, or 646-503-2613 with any questions.

## Remote Location *Administrations*

The Educational Records Bureau will make every effort to arrange remote administrations for students who reside in an area in the United States or abroad where regularly scheduled test site administrations are not available. This service is only available to a student applying to an ERB member school which administers

the ISEE at its site. Call 1-800-989-3721, ext. 2612, or 646-503-2612, or email [iseeremote@erblearn.org](mailto:iseeremote@erblearn.org) to discuss procedures. Please schedule at least three weeks in advance, as additional time must be allowed for shipment of test materials.

## Ben D. Wood Fee *Waiver Program*

Dr. Ben D. Wood was actively involved in the activities of the Educational Records Bureau and remained engaged in the activities of the organization throughout his life. A grant to defray the costs for testing was established in his honor in 1985. Students in financial need may apply for a Ben D. Wood ISEE fee waiver. Fee waivers cover only the large group testing fee (\$100).

*Fee waiver inquiries should be addressed to the school(s) to which the candidate is applying, not to the ISEE Operations Office or ERB. Fee waivers are also available for Prometric test sites. Please contact a school to which you are applying for information on receiving a waiver.*

# MAKING ARRANGEMENTS FOR TAKING THE ISEE

## ISEE Registration and Score Reporting

A family may register for the paper-pencil ISEE in one of three ways: online, by mail, or by phone. Registration is on a first-come, first-served basis. Upon receipt of a completed registration online, by mail, or by phone, the ISEE Operations Office will send a Verification Letter confirming a seat at a test site. The Verification Letter will list the check-in and start time for the test. The family should receive the Verification Letter within two weeks of registering. If they do not receive a Verification Letter, please call the ISEE Operations Office at 1-800-446-0320 or 1-919-956-8524 to confirm receipt of the registration. Without a Verification Letter, the selected testing date and site are not confirmed.

The Verification Letter is the confirmation for the testing date, testing site, the grade the student is entering in the fall of 2015, and the schools/consultants to whom copies of the test report are to be sent. Upon receipt of the Verification Letter, please check that all student information is correct. If you find any information in error, please call the ISEE Operations Office at 1-800-446-0320 or 1-919-956-8524.

If a test site is filled to capacity before the three-week preregistration deadline, any registration received thereafter will be assigned to an alternate site and/or date which will be specified on the Verification Letter. If the alternate site and/or date is not convenient for the family, they may call the ISEE Operations Office at 1-800-446-0320 or 1-919-956-8524 to reschedule the testing at an available site.

### Student Directory Information

Your student's directory information (name, address, phone number, and grade to which he or she is applying), may be shared with the schools you select to receive ISEE score reports at the time of the request. Should you wish to opt out, you may do so by checking the appropriate box at the time of registration.

**i** To repeat, you may register for the ISEE in one of the following three ways:

#### Online

You may register online for the ISEE. The online registration fee is \$100. The fee must be paid by Visa, MasterCard, or American Express through the internet. To access the online registration, please go to [www.iseetest.org](http://www.iseetest.org).

#### Mail

The paper copy of the mail-in registration form is found in the center of this student guide between pages 30 and 31, inside the

envelope. You must call the school to which the student is applying, or ERB at 1-800-989-3721, ext. 2612, or 646-503-2612 for a paper copy of the registration form. The mail-in registration fee is \$100. (Please make check payable to Educational Records Bureau.) We recommend that you make a copy of the completed ISEE Registration Form for your own records. Please remember that the information on your Verification Letter is taken directly from your Registration Form by scanner. If you make a mistake (for example, reversing two of the digits in one of the school codes), your Verification Letter will be in error. Call the ISEE Operations Office at 1-800-446-0320 or 1-919-956-8524 if you find any mistakes on your Verification Letter.

**i** Mail your Registration Form early to confirm availability. Allow at least five business days for your form to arrive.

#### Phone

You may register by phone by calling 1-800-446-0320 or 919-956-8524. There is a \$20 additional charge for a telephone registration. Therefore, the phone registration fee is \$120. The fee for a phone registration is payable by Visa, MasterCard, or American Express only.

### Summary of Registration and Score Reporting Services and Fees

12. Rescoring, Different Grade: \$30

*\*This includes up to six schools.*

# MAKING ARRANGEMENTS FOR TAKING THE ISEE

## Additional Registration and Reporting *Considerations*

### Late Registration

For one week after the official registration date closes (up to two weeks before the test date), you may register late (space permitting) by phone or online at [www.iseetest.org](http://www.iseetest.org). See page 6 for phone numbers. The fee for late registration is \$120. **Do not mail in a Registration Form if you register by phone.**

### Walk-in Registration

Walk-in registration is available at a limited number of test sites and dates. Walk-in registration is on a first-come, first-served basis and cannot be assured due to limitations on test materials and staff. There is an additional \$35 fee for this service.

To repeat, if you are a candidate for walk-in registration, **you must call the test site directly to see if you may be accommodated.** If you can be accommodated, you must bring the following to the test site:

- a completed Registration Form
- the test fee plus the additional \$35 (check, Visa, MasterCard, or American Express)
- identification for the tester (see page 9)

Note: Test site supervisors will not accept cash and scoring will be delayed if your Registration Form has not been properly completed.

**Allow two extra working days for score reports and telephone reports.**

### Change of Registration or Failure to Test

If you will not be able to appear for a scheduled test at a school site, or miss a test due to illness, you should request an alternate date as soon as possible from the ISEE Operations Office (1-800-446-0320).

The cost of rescheduling a test is \$30. Payment may be charged to Visa, MasterCard, or American Express.

### Refunds

If for some reason you will not be taking the ISEE after registering for it, you may receive a refund. Please call the Operations Office within four weeks of your scheduled test date for a refund. All refunds shall have a \$30 service fee deducted.

### Testing Policy

Practice administrations of the ISEE are not allowed. You may test only when making a formal application to an ERB member school.

You may be tested only once within a six-month period. If you test a second time during that six-month period, results of the second administration will not be reported, and the test fee will not be returned.

Identification for the tester is required at check-in on the day of testing. (See page 9.) If a student's identity is in question before, during, or after the exam, ERB will not release test scores and reserves the right to investigate the matter at the expense of the family. In addition, ERB may, at its discretion, disclose the results of any such investigation to the schools to which the test results were to be sent and to all appropriate government regulators.

### Score Reporting

After testing, answers and essays are sent to the ISEE Operations Office for scoring of the four multiple choice sections and production of the Individual Student Report (ISR). Copies of the ISR and the essay, which is not scored, may be sent to six schools and/or counselors for the \$100 fee. Schools will receive a copy of the student score report and essay within a few days of the test administration.

### Parent/Guardian Report

A copy of the Individual Student Report (ISR) only is sent to parents, addressed "To the Parents/Guardian of..." The parent/guardian report will list all schools who received the student's ISR. For paper testing, score reports will be mailed to the parent. For online testing, score reports are released electronically to the parent.

### School Report

A copy of the Individual Student Report (ISR) and essay will be sent to the schools requested at the time of registration. School reports do not list any other recipients, only the individual school name.

*i* Do not mail in a Registration Form if you register by phone.

*i* If you are a candidate for walk-in registration, you should call the walk-in test site before their weekend test to ensure that the school can accommodate your child.

# MAKING ARRANGEMENTS FOR TAKING THE ISEE

## Additional Services

### Online Reporting Service

For paper testing, optional expedited receipt of scores online is available to you for an additional \$35. This service is only available when registration takes place online. An email will be sent to notify you when scores have posted to your account. The scores are available at the same time as the telephone reporting service time frame (see below). Additional information about online reporting may be found at [www.iseetest.org](http://www.iseetest.org) under “Online Registration.”

### Telephone Reporting Service

Optional expedited telephone reporting service is available to you for an additional \$35 fee. If you wish to take advantage of this service, mark the appropriate bubble on your paper Registration Form, or when completing the online registration. Your Verification Letter will include a toll-free number which parents may call after testing. The earliest parents may call the ISEE Operations Office is 3 p.m. Eastern Standard Time on the first Monday, Wednesday, or Friday following the date of testing. Scores from a Sunday administration will not be available until Wednesday. (Phone reports may be delayed if tests were not received promptly from the test sites.)

For example, if the test is taken on a Saturday, parents may call on Monday afternoon; if the test is taken on Sunday, parents may call on Wednesday afternoon, etc. During the call, a parent must give the student’s ID number from his or her Verification Letter to the operator, who will then provide scores and percentiles for Verbal Reasoning, Quantitative Reasoning, Reading Comprehension, and Mathematics Achievement. No interpretation of scores will be given at the time of this service. Individual Student Reports (ISRs) will still be produced and mailed to you and the schools, organizations, or consultants that you listed.

Thereafter, parents may call any time during regular business hours, 9:00 a.m. to 5:00 p.m. Eastern Standard Time between the months of March and October, and 9:00 a.m. to 6:00 p.m. November through February (ISEE Operations Office: 1-800-446-0320). Please allow a longer turnaround time for all national holidays. This service provides for one call only, either from a parent or an admission officer. Again, no interpretation of scores will be given at the time of this service.

### Additional Reports

You may request that test results be sent to ERB schools/consultants/programs in addition to those first requested. A fee of \$25 is charged for up to six additional reports. Any requests for reports made after you have tested must be accompanied by \$25 regardless of how many school codes were filled in on the original form.

Requests to have additional reports sent should be made to the ISEE Operations Office by calling (1-800-446-0320 or 919-956-8524). These reports must be paid for by Visa, MasterCard, or American Express only.

### Hand Scoring

After the test is taken and scored, parents may request that an answer sheet be hand scored to verify the earlier machine scoring. Parents should call 1-800-446-0320 or 1-919-956-8524 to request this \$40 service.

### Rescoring, Different Grade

Parents may request that their child’s answer sheet be rescored at one grade below his or her actual placement. This is appropriate when the possibility of repeating a grade is being considered. The fee for this service is \$30. Since there are no norms for candidates entering grade 4, this service is not available for candidates for grade 5 who wish to be rescored for repeating grade 4. Also, because different test levels are involved, this service is not available for candidates for grade 7 who wish to be rescored for repeating grade 6, or candidates for grade 9 who wish to be rescored for repeating grade 8. This service is available after the test is scored by calling the ISEE Operations Office at 1-800-446-0320.

*i* ISEE Telephone Reporting Service provides scores only, and no *interpretation* of scores will be provided with this service. Individual Student Reports (ISRs) will still be produced and mailed to you and the schools, organizations, or consultants that you listed.

# IMPORTANT REMINDERS FOR STUDENTS TAKING THE ISEE

## *Before the Test*

Sample questions similar to those you will find on the ISEE are available online at [www.iseetest.org](http://www.iseetest.org). Click on “What to Expect on the ISEE.”

In general, ISEE scores show what you have gradually learned over a period of time. Frantic, last minute cramming for the test is not helpful.

Plan to arrive at the test center at the check-in time listed on the ISEE Verification Letter and present this letter (except for testing offices) and identification (library card, birth certificate, Social Security card, school report card, school I.D., passport, or green card). A photocopy of a birth certificate or Social Security card is permitted at a test site school but originals must be presented at a Prometric office. No one will be permitted to enter the testing room after testing begins.

For paper-pencil testing, please bring your Verification Letter (except for ISEE testing offices), identification, four sharpened #2 or HB pencils with good erasers, two black or blue ballpoint pens (erasable pens are permitted), and **NO OTHER MATERIALS**. No

## *During the Test*

Listen very carefully to instructions that are given to you by the test administrator. For paper-pencil testing, answers are to be recorded on the ISEE answer sheet and not in the test booklet. Unprinted space in the test booklet may be used as scratch paper.

Please select the best choice for each question. On this test, there is no penalty for an incorrect answer.

You should attempt every question that you think you can answer correctly, but do not spend too much time on any one question; it is better to go on to the next question. You may return to omitted questions within the section if time permits.

books, papers, rulers, calculators, beepers, or cell phones of any kind may be brought into the examination room by candidates. If a student does not comply, he or she will be excused from testing and the test will be invalidated.

For online testing, please bring your identification and **NO OTHER MATERIALS**. No books, papers, rulers, calculators, beepers, or cell phones of any kind may be brought into the examination room by candidates. If a student does not comply, he or she will be excused from testing and the test will be invalidated.

For testing at Prometric, please bring your identification (originals are required for all identification; copies are not accepted) and **NO OTHER MATERIALS**. No books, papers, rulers, calculators, beepers, or cell phones of any kind may be brought into the examination room by candidates. If a student does not comply, he or she will be excused from testing and the test will be invalidated. A parent/guardian is required to stay onsite with the child at the Prometric Testing Center for the duration of the test. There are no exceptions to this rule. Please refer to [www.iseetest.org](http://www.iseetest.org) for details.

No student is expected to answer every question correctly, and students in a lower grade are expected to obtain fewer correct answers than students in a higher grade taking the same level of the test. Remember that each student’s test performance is compared only to the performance of students at his or her grade level.

ISEE Individual Student Reports will not be sent to schools in cases where there is a question surrounding the student’s identity, clear evidence of communication with another student during the test, use of materials not allowed in the testing room (including beepers and cell phones), irregularities such as working in a section of the test booklet after time is called or before permission to do so is given, or disruptive behavior of any kind.

## FREQUENTLY ASKED QUESTIONS; FOR ASSISTANCE

### **How do I register for the test?**

You may register online, by mail, or by phone up to three weeks prior to the test date. (See page 6.)

### **Where is the mail-in registration form located?**

It is located between pages 28 and 29 inside the envelope of the hard copy of the ISEE Student Guide distributed by ERB and member schools.

### **Is a mail-in registration form available online?**

No. An original scantron form is required for a mail-in registration.

### **How do I request testing with accommodations?**

ERB arranges administrations for students with a documented learning difference or physical challenge. (See page 5.)

### **How often may I test?**

You may only test once within a six-month period, and the exam may not be taken for practice. (See page 7.)

### **Are sample questions available?**

Yes, there are sample test questions and practice tests online at [www.iseetest.org](http://www.iseetest.org) for each level at no fee. These items are also available for purchase in hard copy format except for the Primary Level. For more information, please see page 3.

### **How do I know what time the test starts?**

The time of the test and check-in time are listed on your Verification Letter which you will receive in the mail after your registration has been processed. The test time may also be found online at [www.iseetest.org](http://www.iseetest.org) under "Online Registration." Most testing occurs in the morning unless otherwise noted.

### **What should I take to the test?**

For paper-pencil testing, you should take your ISEE Verification Letter, identification, four sharpened #2 or HB pencils with erasers, two black or blue ballpoint pens, and NO OTHER MATERIALS. Erasable ballpoint pens are permitted. Please see page 9, 4th paragraph under "Before the Test."

For online testing, you should take your ISEE Verification Letter, identification, and NO OTHER MATERIALS.

For online testing at Prometric, you should take your original identification (no copies) and NO OTHER MATERIALS. Please see page 9 for details. No books, papers, rulers, calculators, beepers, or cell phones of any kind may be brought into the examination room by candidates. If a student does not comply, he or she will be excused from testing and the test will be invalidated.

### **How long does it take to complete the ISEE?**

Testing time is approximately 1 hour for Primary Level students, 2 hours 20 minutes for Lower Level students, and 2 hours 40 minutes for Middle/Upper Level students, not including directions and breaks. (See page 2.)

### **Are there breaks during the test?**

Yes, there are two breaks. The first break is after the second section of the test, and the second break is after the fourth section of the test.

### **May I take a snack to the exam?**

Yes, you may take a small snack to consume only during the breaks. Many schools provide snacks, but schools are not required to provide them. Please be respectful of office food policies if testing at an office.

### **Do parents receive a copy of the scores?**

Yes. See page 7.

### **Whom do I call to request that reports be sent to additional schools?**

You may call the ISEE Operations Office. Please see pages 8 and 59 for contact information.

### **How do I find out if the test is being cancelled/rescheduled due to inclement weather?**

Call the ISEE test site directly or check the school's website to see if they will be holding or rescheduling the test.
